

# Damp, mould & condensation workshops

**FREE** workshops until  
31st March 2025 in  
North Yorkshire\*

**30-minute workshops at a convenient  
time to suit your business.**

## Did you know?

Illnesses caused by the occurrence of damp and mould costs the NHS £1.4bn annually.

**For more information  
visit: [bregroup.com](https://www.bregroup.com)**

**\* Fully funded courses for these eligible sectors (does not include York):**

Construction

Health & Social Care

AgriTech

Manufacturing

Digital & Creative

Visitor Economy

## Demonstrate your commitment to staff wellbeing

Staff will learn common causes and preventative measures for damp, mould & condensation in the home. Increased awareness of the risks to mental and physical health associated with these occurrences, could reduce sickness absence for common ailments e.g. colds, coughs, and breathing problems.

There will also be an opportunity to earn a CPD certified 'Understanding Damp & Mould: Protecting Your Home & Health' certificate through an additional £15 online course.

**To register for an in-person or online workshop, contact [retrofit@efficiencynorth.org](mailto:retrofit@efficiencynorth.org).**

## Working in partnership with
