

SEND Next Choices

Getting ready for adult life

Sponsorship Packages

Due to popular demand, the SEND Next Choices event will return to Leeds first direct arena on Tuesday 24 June 2025.

The event offers visitors with special educational needs and/or disabilities the opportunity to find out about jobs, training, education, support and opportunities available to them in Leeds.

Last year over 65 exhibitors and 2,200 visitors attended the event. Feedback from visitors and exhibitors was overwhelmingly positive.

Sponsorship helps us to fund the event and gives your organisation the opportunity to showcase what you do to a large audience. Please see more details overleaf and contact esemployers@leeds.gov.uk for more information.
